

# REO Rafting Adventure Resort

## EMPLOYMENT OFFER

Back in the 1970's rafting was just starting to make a presence across North America. Bryan Fogelman decided to buy a raft and travel around, river to river. He pioneered many rivers in British Columbia, including, the Nahatlatch, Elaho, Chilliwack, and Stein.

REO Rafting Resort was founded in 1983 after Bryan had discovered the most fun and exciting river in BC, the Nahatlatch. He purchased a private section of the canyon from a local homesteader and gradually began constructing the unique river's edge resort located there today.

REO strives to provide the ultimate rafting experience for our guests as well as our staff. Our raft guides will get opportunities to guide on many different rivers, including the Stein, one of the best Class 5 rivers in Canada. Other activities that we offer are kayaking, paddle boarding, cliff jumping, archery, and more!

### **Senior Guide / Trip Leader: Nahatlatch River (Class 4+)**

Location: REO Rafting Resort, Nahatlatch Valley

Seasonal: Mid June - Sept, 2019 (start and end dates negotiable)

Compensation: Negotiable; based on 35 hours a week
